Professional Summary

Ecommerce and catalog operations professional with 3 years of experience optimizing product listings, managing content for conversion, and automating high-volume workflows. Improved 1,500+ product listings with enriched media (images, video, amenities detail, VR tours, FAQs), reduced manual workload 85% through AI-driven automation, and led seasonal promotional events and large-scale stakeholder coordination. Seeking to bring proven catalog optimization, content strategy, and process automation skills to a marketplace ecommerce role.

Core Skills

Catalog & PDP Optimization | Listing Content Strategy (images, video, VR, FAQs) | Promotional Event Planning | Traffic & Performance Tracking | Stakeholder Management | Inventory & Pricing Accuracy | Workflow Automation (AI prompts) | Team Leadership | Excel / Google Sheets | Data QA & Catalog Hygiene

Professional Experience

Catalog Management Executive | Amber Student | *December 2023 – Present (Remote)*

- Improved content quality and conversion-readiness across 1,500+ product listings by adding images, videos, amenities details, VR tours, and FAQs to each listing.
- Reduced team workload by 85% by designing and deploying AI-prompt-based automation for bulk inventory sheet updates, replacing manual data entry.
- Planned and executed seasonal promotional campaigns (Amber Fest) by coordinating pricing offers, catalog updates, and launch timing to drive demand during peak periods.
- Tracked website traffic data to support pricing and inventory policy decisions, translating performance trends into recommendations for leadership.
- Managed a large-scale stakeholder portfolio, coordinating with property partners to keep listings, pricing, and commission data accurate and current.
- Maintained PDP accuracy by auditing pricing, descriptions, and media for every listing prior to publication.
- Led a team as sublead, documenting automation workflows and training team members to reduce listing creation time and errors.

Catalog Management Intern | Amber Student | *June 2023 – December 2023 (Remote)*

- Created and maintained property listings in the catalog system, ensuring speed and accuracy of new entries.
- Drafted product descriptions and sourced images for catalog listings, then verified accuracy before publication.
- Maintained records of inventory levels, pricing changes, and commission updates across the catalog.
- Supported the development and rollout of promotional offers featured in the catalog.
